

Make A Wreath!

You can make a wreath for any occasion using plant materials to match the season. This supply list will help you to build a wreath for the winter holidays.

Building Basics:

- Start with a ring
- Create fullness
- Fill in the spaces
- Make a hanger
- Enjoy!

Recommended Supply list:

- Metal or grapevine wreath ring/form (14" ring is a good starter size)
- Floral wire on a spool
- Chenille stems (otherwise known as fuzzy sticks)
- Greenery
- Ribbon with wire

Optional Suggested Supply list:

- Hot glue gun/glue
- Multiple greenery options (incense cedar, pine, and holly gives different textures and colors)
- Have berries or cones on their branches available
- Dried flowers
- Silk flowers
- Christmas bulbs or ornaments
- Pre-made bows save time and effort!
- 18 ft garland (for a 14" wreath form)
- Spray glitter is messy but can be a fun touch
